Saxon, Ed.D. | Alicia C. Stapp, Ed.D. | Alice J. Steimle, Ph.D.

Dear Friends and Colleagues,  
 The United Way of Oxford-Lafayette County cannot thank the outstanding faculty, staff, and administration at the University of Mississippi enough for their long-standing partnership as we work hand in hand to improve health, advance education, promote financial stability, and meet basic needs within the Lafayette-Oxford-University (LOU) community.

Whether someone donates \$10 or \$10,000, every investment in the LOU community makes a meaningful difference, especially to the individual or family who ultimately benefits. Please know no gift is too small to make a significant impact as we all work together for the betterment of Oxford and Lafayette County.

Donating \$5 each pay period can supply 24 lovepacks to ensure local students in need have food over the weekend and holiday breaks. Contributing \$10 per pay period can provide 59 meals to homebound seniors. Giving \$25 every pay period can furnish a free book each month to 24 local children. Those are simply a few examples of the difference you can make.

Payroll deduction offers a simple way to give, but you can also contribute by check, credit/debit card, bank draft, stock transfer, cash, and a variety of other ways. Regardless of the amount or method, each donation is an investment that yields incredible returns through the many positive outcomes it produces.

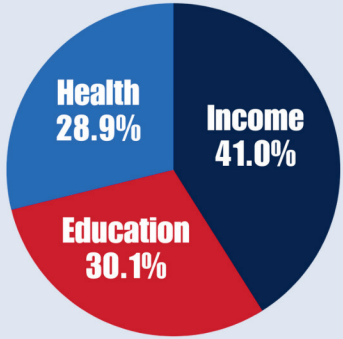

Thank you for your time and all you do for the LOU community. We appreciate you!
